This instruction implements AFPD 36-26, *Military Force Management*, and outlines and establishes policy, procedures, areas of responsibilities, and an event timeline for the command's operations squadron commander candidate selection board (CCSB). It applies to all personnel involved with the nomination and board process, candidate-select list, and board protocol.

Maintain and dispose of all records created as a result of processes prescribed in this instruction IAW AFMAN 37-139, *Records Disposition Schedule*.

**1. Purpose.** Establish procedures for selection and conduct of the Air Force Materiel Command (AFMC) Operations Directorate CCSB. The CCSB will convene annually to identify candidates for projected commander vacancies in AFMC flying, operations support, and test squadrons or detachments and all other requirements as directed by HQ AFMC/DO. The CCSB is scheduled to convene each January.

**2. Officer Eligibility Requirements.**

**2.1. Acquisition Experience.** For those squadron commander positions that require acquisition experience, candidates must be acquisition qualified or eligible. At a minimum, this requires Acquisition Professional Development Program (APDP) certification and Acquisition Corps membership by the date the CCSB convenes. If selected for a command assignment, officers must be capable of completing all acquisition certification requirements within the normal acquisition guidelines (i.e., Acquisition Corps member/eligible upon assumption of command or able to achieve appropriate certification level within 18 months from start of assignment).

**2.2. Minimum Criteria for All Nominees.** All officers competing for AFMC Flight Test Squadron (FLTS), Operations Support Squadron (OSS), or Test Squadron (TS) commander positions must meet the following minimum criteria:

- 2.2.1. Not applied for separation or retirement.
- 2.2.2. Not deferred to the next higher grade.
- 2.2.3. Not have a current UIF or be on the Weight Management Program.
- 2.2.4. Not be in the primary zone for colonel.
- 2.2.5. Not served previously as the commander of a flying unit.
- 2.2.6. Must be available to assume command during the entire period the list encompasses.

**2.3. FLTS Commander.** In addition to the criteria listed in **para 2.2.**, officers competing for FLTS commander must meet the following criteria:

- 2.3.1. Must be a lieutenant colonel/lieutenant colonel select by the date the board convenes.
- 2.3.2. Must be a rated officer and have flown, operational or flight test, within five years of assuming command.
- 2.3.3. Eligible AFSCs: 11XX and 12XX.

**2.4. TS Commander.** In addition to the criteria listed in **para 2.2.**, officers competing for TS commander must meet the following criteria:

- 2.4.1. Must be a lieutenant colonel/lieutenant colonel select or a major/major select by the date the board convenes.
- 2.4.2. Eligible AFSCs: 11XX, 12XX, and 6XXX with test experience.

**2.5. OSS Commander.** In addition to the criteria listed in **para 2.2.**, officers competing for OSS commander must meet the following criteria:

- 2.5.1. Must be a lieutenant colonel/lieutenant colonel select or a major/major select by the date the board convenes.
- 2.5.2. Eligible AFSCs: 11XX, 12XX, 13BX, and 13MX.

**2.6. Eligibility Waivers.** Officers who do not meet above eligibility criteria must submit a memorandum signed by their nominating official (see **para 3.1**) requesting a waiver. Place the memorandum in Part VI of the nomination folder. State which criteria need to be waived and provide justification. HQ AFMC/DO is the approval authority for all waivers. Waiver requests must be received by AFMC/DOO no later than the suspense date established for receipt of the nomination packages.

### **3. CCSB Nomination Process.**

3.1. Reference **Table 1** to determine appropriate level for nominating official. Multiple nominations from the same wing, SPO, or headquarters should be consolidated and submitted together if feasible.

**Table 1. Nominating Officials.**

| <b>If Nominee is serving in:</b>         | <b>Then Nominating Official is:</b>   |
|--|---------------------------------------|
| HAF, Joint, MAJCOM, NAF, or Center Staff | General Officer or equivalent         |
| Test or Operational Wing                 | Wing Commander or equivalent          |
| Systems Program Office (SPO) or Lab      | SPO Director or equivalent (2-Letter) |
| PME in-residence                         | Commandant or equivalent (Desired)    |

3.2. Nominating official must rank order nominees if submitting more than one.

#### **4. CCSB Nomination Packages.**

4.1. Nominees must prepare their own nomination packages. Include a cover page with an e-mail address for the point of contact(s), or a telephone number if e-mail is not available, to confirm receipt of the package.

4.2. Nomination packages must be submitted in a six-part folder. With the folder held horizontally, affix a white label with officer's name (Last, First MI) to the top left corner of the interior back cover.

4.3. Section (I), (interior front cover): AF Form 3849, **PME/AFIT/RTFB Officer Worksheet**, written specifically for this board. Include nominating official's signature block. In no case shall the nominating official be higher than that specified in **Table 1**.

4.3.1. AF Form 3849, Part II: List all squadron types (Flight Test Squadron, Operations Support Squadron, and/or Test & Evaluation Squadron) for which nominee meets eligibility requirements (see **para 2**). Do not list specific units or locations.

4.3.2. AF Form 3849, Part III: The following statement must be included in member comments: "I am a volunteer for any command opportunity offered and agree to serve required active duty service commitments." Complete comments in narrative or bullet format. In addition, nominees should include all information they believe the board would find useful in appraising the nominee's potential to command.

4.3.3. AF Form 3849, Part IV: The following statement must be included: "I agree to release (officer's name) for any command opportunity offered." The nominating official's comments should focus on the nominee's current job performance. Chronicle past successes using PRF style bullets. State future plans for the officer. Nominating official must rank order nominees if submitting more than one.

4.4. Section (II) AF Form 942, **Record of Evaluation**. (Required for rated officers only.)

4.5. Section (III). Leave blank.

4.6. Section (IV) Double-sided copies of all OER/OPRs and training reports, military flip (head to toe). No other documents will be considered.

4.7. Section (V) Leave blank.

4.8. Section (VI). Request to waive eligibility criteria. (If required.)

4.9. Send nomination packages to HQ AFMC/DOO, Area A, Bldg 262, Room S139, 4375 Chidlaw Road, Wright-Patterson AFB OH 45433-5006, Attn: CCSB. Failure to submit nominations in time for them to be received by the published suspense date will be presumed a negative input.

## **5. Timing of Selection Board and Release of Consolidated List.**

5.1. One hundred fifty (150) days prior to the board, HQ AFMC/DOO will confirm the board location and date.

5.2. One hundred twenty (120) days prior to the board, HQ AFMC/DPMOR will release the CCSB notification message. HQ AFMC/DOO will, subject to HQ AFMC/DO's approval, establish all applicable suspense dates.

5.3. Thirty (30) days prior to the board, all nomination packages are due to HQ AFMC/DOO. Nomination packages must be completed as specified in **para. 4** and mailed in time for receipt by HQ AFMC/DOO no later than the established suspense date. HQ AFMC/DOO is the approval authority for all extensions. Extensions will be considered only when the circumstances for the late submittal are unique and unavoidable.

5.4. Ten (10) days prior to the board, or as dictated by the Board President's availability, HQ AFMC/DOO will prebrief the Board President.

5.5. HQ AFMC/DPMOR will release the board results message after AFMC/CV approves the list and authorizes release.

5.6. Timelines may be altered with the approval of the AFMC/DO, if required, to accommodate unforeseen scheduling conflicts.

## **6. Board Composition.**

6.1. The nominal board composition shall be eight members, including the Board President, but not fewer than seven. With the exception of the Board President, all board members must be in the rank of colonel. All participants shall be voting members.

6.1.1. HQ AFMC/DO, Board President.

6.1.2. With the exception of AFMC/DO, no office or agency is assured of representation on the CCSB. The Board President shall select the other board members from the following pool of agencies/offices:

6.1.3. HQ AFMC/DO Division Chief (max of two per board).

6.1.4. Test Wing Commander or Vice Wing Commander (max of one per board).

6.1.5. Air Base Wing Commander from an ALC/Product Center (max of one per board).

6.1.6. HQ AFMC/EN Division Chief (max of one per board).

6.1.7. HQ AFMC/DP Division Chief (max of one per board).

6.1.8. Systems Program Office Director (max of one per board).

6.1.9. Prior Test Wing Commander or Vice Wing Commander (max of one per board).

6.1.10. Operations Group Commander (max of one per board).

## 7. Board Attendance/Substitutions.

7.1. Designated Board Members who are not able to attend the board must request approval from the Board President to allow a qualified officer to participate on their behalf. Substitution procedures are as follows:

7.1.1. Qualified substitutions must be in the rank of colonel.

7.1.2. Substitution requests must be forwarded to HQ AFMC/DOO.

7.1.3. The Board President must approve all substitute board members.

## 8. Board Location/Support.

8.1. The CCSB will convene in the HQ AFMC/DO Conference Room. If the DO Conference Room is not available, HQ AFMC/DOO will reserve an alternate location.

8.2. HQ AFMC/DOO is the office of primary responsibility (OPR) for conducting the CCSB and the OPR for *AFMCI 36-2601 8 May 2001*. This office is also responsible for protocol and all hospitality issues for the board, to include refreshments, lunches, and collection of any associated fees.

8.3. HQ AFMC/DPMOR is the OPR for determining projected command vacancies and announcing upcoming boards. HQ AFMC/DPMOR will assist HQ AFMC/DOO in determining whether nominees meet eligibility requirements and in releasing the list of candidate-selects.

## 9. Board Process.

9.1. HQ AFMC/DPMOR will identify projected squadron commander vacancies for board consideration. Prior to record scoring, at his or her option, the Board President may brief the board on the total number of projected squadron commander vacancies. The Board President will not release which specific squadrons or squadron-types are projected to be vacant until after all records have been scored.

**9.2. Scoring.** Board members will score all nomination packages equitably. HQ AFMC/DOO will provide covers and score sheets on all nominees, giving each board member the opportunity to review and score each record.

9.2.1. Scores are based on a scale from 10.0 (Definitely Ready for Command Now) to 6.0 (Not Ready for Command) in half-point increments. The board will score all nominee records based solely upon the whole person concept described in AFI 36-2501, *Officer Promotions and Selective Continuation*.

9.2.2. If a nominee receives two or more scores that differ by 2.0 points or more, the board members responsible for those scores will rescore the record to resolve the split. If the differential remains 2.0 points or more after rescoring, the Board President shall have authority to resolve the split in any manner he/she deems appropriate.

9.2.3. In the event of a tie score between two or more nominees, all board members will reevaluate the applicable records and rank order those nominees without changing the score. This is necessary only when the cut-off line falls between nominees with equal scores.

**9.3. Candidate Selection.** After all records have been scored, the nominees will be divided into three separate lists by squadron type (FLTS, OSS, or TS) based on the qualification criteria in **para 2**. The

nominees on each list will be rank ordered, 1 to XX, based upon their board score. After the nominees are rank ordered, the CCSB will select a maximum of three candidates per projected vacancy, except as described in **para 9.3.1**. A cut-off line will be drawn at the maximum quota for that squadron type: FLTS, OSS, and TS. For example, the top nine nominees on the FLTS list would be selected for three projected FLTS vacancies.

9.3.1. Mission requirements may necessitate a quota greater than three candidate-selects per projected vacancy to ensure that a sufficient number of specially qualified or experienced candidate-selects are available for each vacant squadron command position. The Board President will convey these specialized quotas to the board members after all records have been scored.

9.4. The Board President will then review each list to ensure that the number of candidate-selects is sufficient to meet all specialized requirements (e.g., rated officers with fighter aircraft experience). If not, the Board President may select the next highest scoring nominee(s) with that specialized qualification or experience. For example, nine FLTS candidate-selects are chosen to fill three vacancies. However, two of these three vacancies require fighter experience. If only four of the nine candidate-selects have fighter experience, the next two highest scoring nominees with fighter experience can be moved above the cut-off line. All candidate-selects originally above the cut-off line will remain on the select list. In no case shall a nominee be moved above the cut-off line if there already are sufficient candidate-selects meeting specialized qualifications and requirements.

9.5. The Board President will present the candidate-select list to the other members of the board for finalization of the results. The proposed candidate-select list will then be sent to AFMC/CV for final approval and release.

## **10. Disclosure of Board Proceedings, Findings, or Results.**

10.1. The score given any particular record is privileged information and may not be disclosed. There is no prohibition of disclosing information on the overall numbers considered, the manner in which the board was organized, the general procedures followed, or the number and grade of its membership. Board results shall not be disclosed until AFMC/CV signs and releases the CCSB results message.

## **11. Release and Use of the Consolidated List.**

11.1. AFMC/CV is the releasing authority for the AFMC Operations Squadron Commander Candidate Select list. The list will normally be released approximately 10 working days after the board adjourns. The Board President will notify the Center Commander/equivalent or the nominating official of each candidate-select prior to public release of the list. Public release will be via the Defense Message System (DMS). The candidate-select list will also be posted on the HQ AFMC/DOO home page.

11.2. HQ AFMC/DPMOA will maintain the consolidated list. Upon request, DPMOA will provide commanders with an updated list of candidate-selects. Though the list is divided into three categories, FLTS, OSS, and TS, a commander may select any candidate-select from the CCSB list that he/she believes is qualified for a particular command. For example, a candidate-select on the FLTS list may be selected to command a Flight Test, Operations Support, or Test Squadron.

**12. Waiver Authority to Appoint Noncandidate-Selects.**

12.1. The purpose of the AFMC Operations CCSB is to identify those officers most qualified for squadron-level command. Unit commanders desiring to hire an officer not on the CCSB list must submit a waiver memorandum, coordinated through HQ AFMC/DO and HQ AFMC/DP, to HQ AFMC/CV for approval. Waivers will only be granted under exceptional circumstances, such as the CCSB list has already been exhausted.

**13. Status of Candidate-Selects While Consolidated List is in Effect.**

13.1. Candidate-selects on the consolidated list are considered a volunteer for any command opportunity offered during the entire period the list is in effect. If a candidate-select refuses an AFMC commander position, he/she will be removed from the CCSB list. The officer may compete again on future boards.

WILBERT D. PEARSON, JR, Brigadier General, USAF  
Director of Operations
